

These are the summary results of the Diversity Data which was collected by Henderson Chambers during October 2019 in respect of its pupils. The survey was conducted in accordance with the Model Questionnaire prepared by the Bar Standards Board.

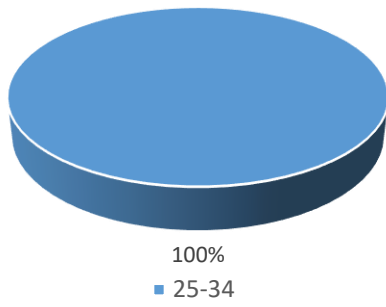

So as to comply with both Data Protection legislation and the recommendations of the Bar Standards Board members of Chambers, publication of data is made in accordance with the requirements of rC110.3.s of the Bar Standards Board Handbook.

In the event of any further enquiries, the Chambers Data Diversity Officer is Angus Withington, who would be happy to assist.
